PARKING INFORMATION:

Parking is available in the paved lot across the street from the studio - parking permits for client use are kept in the studio. If this lot is full, street parking is typically available, with the caveat that street cleaning schedules are complicated and can result in a ticket or towing. Please refer to the "Parking Map" sheet for help with finding on-street parking in and around the studio.

Street cleaning is only performed from April 1 through November 30, restrictions do not apply outside of that period
